Summer School Administrations of End-of-Grade and End-of-Course Assessments for Accountability

Districts/charter schools may administer end-of-grade (EOG) and end-of-course (EOC) assessments during summer programs that have been approved by the local board and occur after the regular academic year is completed. Summer program scores uploaded to the North Carolina Department of Public Instruction (NCDPI) by 5:00 p.m. July 6, 2018 will be included in 2017–18 accountability calculations. Summer program scores uploaded to the NCDPI after July 6, 2018, will be included in the 2018–19 accountability analysis. Summer school administration scores will be counted only for proficiency, not growth.

¹ To be identified as English Learners (ELs), students indicating a language other than English on the Home Language Survey (HLS) must be assessed using the state EL identification test at initial enrollment. The W-APT™ is the state-identified EL proficiency identification assessment given to students in kindergarten and in first semester of grade 1. The WIDA™ Screener is the state-identified EL proficiency identification assessment given to students in second semester grade 1 through grade 12. All students identified as ELs must be annually assessed using the state EL proficiency test. The ACCESS for ELLs® 2.0 is the state-designated EL proficiency assessment administered annually to kindergarten through twelfth-grade students who have been identified as ELs.

² Credit by Demonstrated Mastery (CDM) is the process by which local education agencies (LEAs)/charter schools shall, based upon a body-of-evidence, award a student credit in a particular course without requiring the student to complete classroom instruction for a certain amount of seat time.

³ Students who have not demonstrated reading proficiency at or above the third-grade level by the end of the third-grade year are provided an opportunity to take the Read to Achieve Test at the end of reading camp on a day designated by the LEA.
