

READ NC

THIS SUMMER, DON'T FORGET TO...READ NC!

Finding books at your student's reading level that also match his or her interests has never been easier.

1. Look on your student's end-of-grade reading or English I end-of-course text score reports to find his or her Lexile measure.
2. Visit the "READ NC" Web page. You can find the link to this page at the bottom of the score report or go to www.ncpublicschools.org/accountability/lexiles.
3. Use your student's Lexile measure and the Lexile map or the "Find a Book" search tool located on the "READ NC" Web page to make sure the student has challenging and engaging books to read all summer long.
