

2017–18 NC Check-Ins Assessed Content Standards and Structure

The NC Check-Ins are administered throughout the school year to provide teachers and parents with immediate feedback for guiding subsequent instruction. Participation in the NC Check-Ins is voluntary and open to all LEAs and charter schools for the 2017–18 school year. The NC Check-Ins will be offered for grades 5–7 English language arts/reading and grades 4–6 mathematics.

English Language Arts/Reading Grades 5-7

- An assessment specification meeting for English language arts (ELA)/reading at grade 6 was held in June 2015. The North Carolina Department of Public Instruction (NCDPI)/Test Development Section invited North Carolina teachers and educators to collaborate and develop recommendations for standards to be assessed, indicating the relative importance of each standard, the anticipated instructional time, and the appropriateness of the standard for different question types for the 2015–16 Proof of Concept Study.
- A focus group meeting for grade 6 was held in June 2016. The NCDPI/Test Development Section invited North Carolina teachers and educators to collaborate and develop recommendations for the 2016–17 NC Check-In. Focus group meetings for grades 5 and 7 were held in March and April of 2017 to collaborate and develop recommendations for the 2017–18 NC Check-Ins.
- The NC Check-Ins are aligned to the NC *Standard Course of Study* (NCSCS) for [English Language Arts](#), adopted by the North Carolina State Board of Education in June 2010.
- NC Check-In 1, 2 and 3 will assess the same ELA/reading standards. All students are expected to be able to comprehend texts of steadily increasing complexity as they progress through a grade. The text complexity of the selections chosen for the NC Check-Ins study will increase throughout the year.
