

Title III Improvement For 2007-08 School Year (Based on 2006-07 Data)

(Based on AMAO 3 sub-targets only)

NCLB requires LEAs to meet three annual measurable achievement objectives (AMAOs) under Title III

- **AMAO 1 (Progress):** Students identified as LEP must make progress on the state identified English language proficiency assessment.
- **AMAO 2 (Proficiency):** Students identified as LEP who have been in US schools for at least 5 years shall score at the Superior proficiency level on all 4 subtests of the English language proficiency assessment
- **AMAO 3 (AYP for the LEP subgroup*):** The LEP subgroup must meet AYP sub-targets in Reading Grades 3-8, Reading at the high school, Mathematics Grades 3-8, and Mathematics at the high school.

Only AMAO 3 was used to calculate Title III Improvement for the 2006-07 school year.
