

Title III Improvement for 2015–16 School Year (Based on 2014–15 Data)

State Board of Education (SBE) policy GCS-A-012, states that subgrantees receiving Title III funds (including LEAs and public charter schools, with consortia as defined in *No Child Left Behind* [NCLB] legislation), must meet a series of Annual Measurable Achievement Objectives (AMAOs).

AMAO calculations reflect requirements in NCLB Title III and the final *Notice of Interpretations* (NOI), published in the Federal Register by the US Department of Education in October 2008.

AMAO 1 (Progress): Students identified as limited English proficient shall demonstrate progress by achieving one or more of the following in terms of the overall composite proficiency score on the annual English language proficiency test: 1) increase to the next English language proficiency level; 2) increase the previous score by 0.5; or 3) reach the Comprehensive Objective Composite (COC). For a Title III subgrantee to meet this AMAO, they must achieve 59.1% in the 2014–15 school year.

AMAO 2 (Proficiency): Students must meet the Comprehensive Objective Composite (COC) as set by the state to meet proficiency. The COC defines the attainment of English language proficiency by the student reaching an overall composite score of 4.8 or above, with at least a 4.0 on the reading subtest and at least a 4.0 on the writing subtest on the required state identified annual English language proficiency test for kindergarten and Tiers B and C in grades 1–12. For a Title III subgrantee to meet AMAO 2, at least 14.6% of the LEP students in that subgrantee must attain English language proficiency in the 2014–15 school year.

AMAO 3 (AMOs for the LEP subgroup): A Title III subgrantee’s status on AMAO 3 is based on the performance of the LEP subgroup on four sub-targets (two subject areas at two grade spans). Performance on each subtarget is shown by functioning on two goals: Proficiency and 95% Participation.

The following report documents the Title III subgrantees that are in Title III Improvement because they have not met the Annual Measurable Achievement Objectives (AMAO 1, AMAO 2, or AMAO 3) for two or more consecutive years. Title III subgrantees include individual LEAs, public charter schools, and consortia.
