**Jazz-Ma-Tazz**

*by Lindy Hansen*

1. In paragraph 11, what does David's teacher mean by “Should we play it first? Or save it for dessert?”
   A. David can choose the order of the songs he plays during his lesson.
   B. David likes to eat as much as he likes music.
   C. David can decide when to stop his lesson to have a snack.
   D. David can tell his teacher what he wants to learn.

2. How does the teacher know David practiced a lot?
   A. He told her he did.
   B. He can play many new songs.
   C. His smile gives it away.
   D. His mother tells the teacher.

3. Which word in the selection means playing two or three sounds together?
   A. jazz
   B. dessert
   C. chords
   D. patterns

4. In paragraph 20, when the piano teacher tells David to “Copy my fingers,” what does she want him to do?
   A. draw a picture of her hands
   B. put his hands on top of hers
   C. trace her hands on a piece of paper
   D. play the same notes that she does

5. Which song does the teacher use to teach David a new skill?
   A. “Dinosaur Boogie”
   B. “Pizza Blues”
   C. “Turtle Blues”
   D. “Crazy Day Waltz”
Rugby Says Hello

by Nancy Dreschel

6. According to the selection, why does Rugby move his body or make sounds?
   A to show he is scared of bicycles
   B to tell a person how he feels
   C to talk to the animal nurse
   D to visit schools with the nurse

7. What does Rugby teach students when he visits schools?
   A how dogs talk to people
   B how dogs learn tricks
   C how to play with dogs
   D how to take care of pets

8. According to the selection, what could cause the hair on a dog’s shoulders to stand straight up?
   A being scared
   B being cold
   C being angry
   D being hungry

9. What should someone do when a strange dog comes near?
   A pat the dog’s head softly
   B stand tall and straight
   C scream as loudly as possible
   D run fast in a different direction

10. Based on the selection, if a person falls down near a strange dog, why should the person lie on his belly with his legs together and arms folded over his head?
    A so the dog will sniff the person and wander away
    B so the dog will chase and bite the person
    C so the dog will hold its head down
    D so the dog will crouch low to the ground

11. Why is it important to keep the bike between the bike rider and an unfriendly dog?
    A The bike will scare the dog.
    B The bike will provide protection.
    C The bike rider can drop the bike and run.
    D The bike rider can get on the bike quickly.
Rugby Says Hello
by Nancy Dreschel

12. Which best describes the author of this selection?
   A a nurse
   B an actor
   C a dog owner
   D a dogcatcher

13. How would this information most help a child who meets a strange dog?
   A The child would be more prepared to deal with the dog.
   B The child would be more afraid of the dog.
   C The child would be more friendly to the dog.
   D The child would be more likely to run from the dog.
Boats, Boats, Boats!

14. What is the main idea of this selection?
   A People built bridges for boats to cross.
   B People built rowboats thousands of years ago.
   C Boats are used today for cruising and racing.
   D Boats are a useful kind of transportation.

15. Based on the selection, why did people begin building boats?
   A to explore watery areas of the world
   B to trade materials with other countries
   C to use for vacation during the summer
   D to use for racing and cruising

16. Which best describes the earliest boats?
   A simple
   B fast
   C large
   D powerful

17. Based on the selection, how are sailboats different from the Greek trireme?
   A Sailboats are heavier.
   B Sailboats are harder to steer.
   C It requires less time to build a sailboat.
   D It takes fewer people to move a sailboat.

18. How does having more sails help a boat?
   A Sails make the boat ride slower.
   B Sails give the boat more power.
   C Sails make the boat ride longer.
   D Sails give the boat better steering.

19. How do the pictures help the reader better understand the selection?
   A They show how to build a boat.
   B They show how to build a bridge.
   C They show different kinds of boats.
   D They show people having fun on bridges.
A Spike of Green

by Barbara Baker

20. What is the main idea of the poem?
   A. The speaker sees old things in the flower pot on most days.
   B. The speaker is the first to see something growing in the flower pot.
   C. The speaker wants others to see the green spike in the flower pot.
   D. The speaker goes outside on a very hot day to see the flower pot.

21. Which word best describes the speaker in the poem?
   A. bored
   B. careful
   C. excited
   D. upset
A Spike of Green
by Barbara Baker

22. What does the speaker of the poem do first?
   A goes outside
   B plants seeds
   C finds a green spike
   D sees something old

23. Which statement about the speaker is best supported by the poem?
   A The speaker plants many seeds.
   B The speaker is proud of the plant.
   C The speaker does not like the plant.
   D The speaker does not take care of plants.

24. Based on the poem, what will most likely happen next?
   A The green spike will die.
   B The green spike will disappear.
   C The green spike will turn brown.
   D The green spike will grow bigger.

25. Which experience is most like the speaker’s experience in this poem?
   A drawing a picture at school
   B playing football with a friend
   C going to a grandparent’s house
   D watching a chick hatch from an egg
Windsock
by Laurie Carlson

26. Along with scissors, what other tool is needed to make a windsock?

A hammer
B paper clip
C paper punch
D screwdriver

27. Why would the top and bottom of the ice cream container need to be cut out?

A so it will not be too heavy
B so the wind will flow through it
C so the windsock will be balanced
D so there will be a place to attach the streamers

28. How should the windsock be decorated?

A take fruit and attach it to the container
B rake leaves and attach them to the container
C cut out shapes and glue them to the container
D find butterflies and paste them to the container

29. Why should the string at the top of the windsock be tied?

A because the string is too long
B because the string is like a shoelace
C to add a decoration to make it pretty
D to allow the windsock to be hung
Windsock  
by Laurie Carlson

30. During which of these steps would it be *most helpful* to look at the picture?

   A. when hanging the windsock from the roof
   B. when cutting long streamers from the crepe paper or tissue paper
   C. when using white glue to attach decorations
   D. when tying all four strands of string together

31. Which would *most likely* make the windsock last longer?

   A. using a plastic container
   B. punching larger holes for the string
   C. putting more decorations on the container
   D. cutting shorter crepe or tissue streamers

End of Reading Comprehension
ACKNOWLEDGMENTS

The North Carolina Department of Public Instruction wishes to express gratitude to the following authors and publishers, whose generous permission to reprint literary selections has made these tests possible. Every effort has been made to locate the copyright owners of material reprinted in this test booklet. Omissions brought to our attention will be corrected in subsequent editions.
