Intermediate Low Proficiency Level in 

**Travel**

- Where will we visit? Why are those destinations important? What can we learn about the culture from them?
- Who will be going? Plan for the right size group and how they will cover the costs for the trip.
- How will we get there? Check the options available for cost and efficiency.
- When will we go? Consider weather and seasons for cost and packing.
- Where will we stay? Think about lodging options and duration of stay for planned activities.

Let’s plan a trip to 

_(city/region/country)_ where _(_target language)_ is spoken!
