MEMORANDUM

To: Directors, Exceptional Children Programs
Directors, Charter Schools
Directors, State Operated Programs

From: Mary N. Watson, Director
Exceptional Children Division

Subject: Summer Training

The summer training schedule you previously received has been updated with new offerings. The updated schedule is attached. The new offerings are highlighted so they are easier to identify.

Please share this information with staff in your LEA who may be interested in participating in professional development over the summer. A training announcement and registration information has been sent out, by the sponsoring LEA, within the region where the training is being held. If you have staff who are interested in participating in training outside of your immediate region they should contact the person listed on the schedule to obtain a registration form or get further information.

Thank you, again, for sponsoring and/or encouraging staff to participate in summer offerings. We continue to make a difference for students with disabilities because of your leadership and all that you do to support your teachers, staff, and each other.

If you have any questions, please contact Susan Davis at sdavis@dpi.state.nc.us or (919) 807-3993.
