Exceptional Children Program
Transportation as a Related Service Summary Form

School Year _____ **LEA Name** _____

School Name _____

The length of the school day for students with disabilities receiving transportation as a related service should be comparable to that of their non-disabled peers. NC DPI allows a five minute window in arrival and departure times. Noncompliance is identified where students arrive more than 5 minutes after the instructional day begins or depart more than 5 minutes before the instructional day ends. Use the comments section to explain any special circumstances.

The instructional day begins at _____a.m. and ends at _____p.m.
