

LEA-Based Calendar Waiver Request 115C-84.2 for Weather-Related Causes

Except for year-round schools and schools designated by the LEA as having, or planning to have, a modified calendar in 2003-04, the opening date for students shall not be before August 25, and the closing date shall not be after June 10.

The State Board of Education may waive this requirement for any LEA within a county that meets eligibility requirements. Waivers will be granted in accordance with HB1464 and are determined by the [LEA 10 year history of closures](#) (schools closed 8 days per year during any 4 of the last 10 years) due to severe weather conditions, energy shortages, power failures, or other emergency situations.

Instructions: Complete this form to request a calendar waiver for the LEA. Demographic information must be filled out by all requestors.
