

LEA Based Calendar Waiver Request for Weather Related Causes (G.S. 115C-84.2)

The opening date for students shall not be before August 25, and the closing date shall not be after June 10. This does not apply to year-round schools or to schools designated by the LEA as having, or planned to have, a modified calendar in 2003-04.

The State Board of Education may waive this requirement for any LEA within a county that meets eligibility requirements. Waivers will be granted in accordance with 2004 HB 1464 and are determined by the [LEA 10 year history of closures](#). 2010 HB 593 changed eligibility requirements to include delayed starts and early releases of two (2) or more hours. In order to be eligible under this new provision, all schools within an LEA must be closed two (2) or more hours at least eight (8) days per year during any four (4) of the last ten (10) years due to severe weather conditions, energy shortages, power failures, or other emergency situations.
