

ATTENTION PARENTS

Last year's test results indicate that SCHOOL NAME did not meet the student proficiency target goal in (READING AND/OR MATH) for the second year in a row. The federal No Child Left Behind (NCLB) law requires our school to notify parents that they may choose to transfer their child to another school with transportation provided at district expense.

Our school will host an information session to provide information on your choice options and answer any questions you may have. The meeting will be held on DATE at TIME in PLACE.

If you have any questions or if you cannot make the meeting, but wish to consider the choice option, please contact NAME at NUMBER.
