Robert C. Byrd Honors Scholarship

2010 - 2011

ELIGIBILITY REQUIREMENTS, SELECTION CRITERIA, SELECTION PROCEDURES, SCHOLARSHIP CONDITIONS, AND CRITERIA FOR CONTINUATION

The following eligibility requirements, selection criteria, selection procedures, scholarship conditions and criteria for continuation have been established to govern the federally funded Robert C. Byrd Honors Scholarship Program for 2010-2011. Federal regulation mandates that scholarships be awarded nationwide from a representative population of each state to qualified applicants who "demonstrate outstanding academic achievement and show promise of continued academic achievement." The total number of scholarships and the dollar amount per recipient for North Carolina students shall be determined by the amount of funds allocated by Congress to the State. (The annual award amount per recipient in 2009-2010 was \$1,500.) For the purpose of these regulations, the thirteen congressional districts in North Carolina shall be used as a basis for insuring proportional distribution.

ELIGIBILITY REQUIREMENTS

1. Must be a U.S. Citizen
2. Must be a legal resident of the State to which he/she is applying
3. Must provide assurance that he/she will graduate from a public/charter or non-public secondary school during the 2010-2011 academic year
4. Must be selected and recommended by his/her high school

2. Schools/Guidance Counselors shall select and submit student applications to: The Robert C. Byrd Honors Scholarship Program, Department of Public Instruction, 6330 Mail Service Center, Raleigh, North Carolina 27699-6330. Applications must be received by 5:00pm on February 19, 2010. Schools may submit one application per 100 high school seniors. Schools with fewer than 100 seniors are eligible to submit one application. (Example: 75 seniors – 1 application, 101 seniors – 2 applications) Schools that submit more than the allowed number of applications, based on the enrollment of the senior class, will automatically have the additional applications discarded at random by our office.

3. Applications are submitted with all needed information completed and transcripts attached (***application materials submitted separately and/or incomplete will not be considered***).
4. Recipients and alternates are determined for each congressional district based on weighted scale.
5. The recipient and alternate list is submitted to the State Superintendent of Public Instruction for approval.
6. All applicants will be notified of their status by May 21, 2010.

SCHOLARSHIPS CONDITIONS

1. After being selected as a recipient at the state level, the recipient must provide verification of official enrollment at an institution of higher education (a student attending a military academy is ineligible to receive the Byrd scholarship), complete a Statement of Registration Status (selective service) form, and complete a Certification of Eligibility for Federal Assistance form. **Forms will be available on the web by June 4, 2010, at <http://www.ncpublicschools.org/recruitment/scholarships/byrd/>.**
2. Should a recipient, for whatever reason decide not to attend college as agreed or decline the award, the next eligible alternate from the same congressional district shall then receive the scholarship. If there is no eligible alternate in the congressional district having an unused scholarship, the scholarship will be awarded to the alternate with the next highest statewide cumulative score from another congressional district.
