1. **Contract with Measurement Inc**

   **Purpose:** To provide Educational Interpreter Proficiency Assessment (EIPA) or Testing, Evaluation & Certification Unit (TECU) Assessment. Educational interpreters and transliterators are required by the state board of education to pass minimum proficiency on the EIPA or TECU assessments. No one else in NC offers these assessments. NCDPI provides the testing program in order for interpreters and transliterators to have the opportunity to sit for these assessments. Educational interpreters will be able to take assessments required by the State Board of Education. They must demonstrate minimum competency by June 30, 2007, in order to work in NC public schools.

   **Primary Contact:** Dr. Henry H. Scherich
   **Amount:** $39,360.00 Federal
   **Time Frame:** 1/29/2007 to 6/30/2007
   **DPI Coordinator:** Rachael Ragin, Exceptional Children
   **Contract No:** 4433631 (Service)

2. **Contract with NC State University**

   **Purpose:**
   1. Gather data from RTI pilot schools in Bertie, Burke, Guilford, Harnett, and New Hanover Counties.
   2. Study and evaluate data to answer the following questions: 1) To what degree have sites successfully implemented the PS model? 2) What barriers and resources influence implementation of the PS model? 3) How do stakeholders at PS sites view the PS process? 4) Do PS services improve student support and outcomes for those students served and for the school as a whole? 5) How might the answers to the preceding questions shape ECD policies with respect to RTI training, implementation, and evaluation?
   3. Provide a summary report of findings to the Exceptional Children Division including recommendations for future Response to Intervention/Problem-Solving Model training, implementation, and evaluation.
   4. Submit copies of all hard copy and electronic correspondence with school personnel to Susan Davis, Consultant for Specific Learning Disabilities, Exceptional Children Division, NCDPI.

   **Primary Contact:** Matt Ronning
   **Amount:** $58,840.74 Federal
   **Time Frame:** 3/1/2007 to 8/31/2007
   **DPI Coordinator:** Susan Davis, Exceptional Children
   **Contract No:** 4439010 (Service)

12. **Contract with Oracle USA Inc**
   
   **Purpose:** To provide database operations support to the NC WISE project in the areas of performance improvement, data migration and infrastructure migration.

   **Amendment #1:** To amend the end date of this contract from 10/20/2006 to 4/13/2007. This is a no cost extension.

   **Primary Contact:** Robert Wheatley
   **Amount:** $1,234,080.00 State
   **Time Frame:** 5/1/2006 to 4/13/2007
   **DPI Coordinator:** Elaine Glass, IT Business Delivery
   **Contract No:** 4367012 (Service)
13. **Withholding Contract with Zena Harvley-Felder**

**Purpose:** Assist North Carolina educators in identifying high-quality supplemental educational resources that support teaching and learning. The position identifies and examines new educational resources using established evaluation criteria that include curricular alignment with the North Carolina Standard Course of Study and writes annotations for publication that summarize content, strengths, and weaknesses. The position prepares publication ready annotations of print-and technology-based instructional resources that are incorporated into the Web site EvaluTech and the publication InfoTech: The Advisory List. The position will coordinate the work assignments of teacher reviewers, the data entry process of moving the reviews into the Web site EvaluTech, coordinates quality control of the Web site’s content, and checks that the Web site’s searching functions are operating properly. An additional responsibility of the position is to monitor and research curricular and technology trends, best practice instructional strategies, and specialized educational topics in order to evaluate new materials.

**Amendment #2:** To amend this contract to extend the end date from 2/28/2007 to 6/30/2007. Amended amount: $52,417.28 ($36,644.54 + $15,772.74).

**Primary Contact:** Zena Harvley-Felder  
**Amount:** $52,417.28 State  
**Time Frame:** 7/1/2006 to 6/30/2007  
**DPI Coordinator:** John Brim, Instructional Technology

14. **Contract with NCS Pearson**

**Purpose:** NCS will provide maintenance support to the SIMS application and Tier 2 and 3 Help Desk Support.

**Amendment #1:** To amend the amount of this contract in order to accomplish the required database corruption fixes and analysis of LEP, Single Parent and eventually Grade 13 business rules changes affecting SIMS software programs. Amended amount: $350,000.00 ($250,000.00 + $100,000.00)

**Primary Contact:** Kevin Schutz  
**Amount:** $350,000.00 State  
**Time Frame:** 7/1/2006 to 6/30/2007  
**DPI Coordinator:** Elaine Glass, IT Business Delivery  
**Contract No:** 4366380 (Service)
15. **Contract with Brustein & Manasevit**

*Purpose:*  
- Provide information on how federal programs impact North Carolina initiatives, including No Child Left Behind, preschool, ESEA, special education, vocational education, and cross-cutting federal requirements;  
- Analyze program statutes, regulations, and guidance to clarify specific questions presented by DPI;  
- Provide opinions on the proper use of funds, fiscal requirements such as supplement not supplant and Maintenance of Effort (MOE), areas of flexibility, administration requirements, application of EDGAR, GEPA, and OMB Circulars, etc.;  
- Provide training to DPI staff on implementation of federal programs, including NCLB, OMB Circular A-87, EDGAR, and GEPA;  
- Review and revise time distribution system, as necessary;  
- Draft and/or review state applications or plans to USDE;  
- Assist in negotiating approval of state plans, including NCLB Adequate yearly Progress Workbook;  
- Draft waiver requests, and track the request through the USDE’s evaluation process;  
- Provide information on how the federal law uniquely applies to charter schools;  
- Assist DPI staff in preparing USDE monitoring visits; and  
- Assist DPI staff in responding to auditors’ inquiries or USDE determinations.

*Amendment:* #1: This amendment is to increase the retainer because of the large volume of analysis work for the State Board and other agency personnel. Amended amount: $34,500.00 ($24,500.00 + $10,000.00).

*Primary Contact:* Kris Hartley  
*Amount:* $34,500.00 Receipts  
*Time Frame:* 7/1/2006 to 6/30/2007  
*DPI Coordinator:* Philip Price, Financial & Business Services  
*Contract No:* 4381370 (Service)

16. **Contract with Center for Teaching Quality**

*Purpose:*  
1. Analyze the Teacher Working Conditions (TWC) survey data from 2004 and 2006  
2. Conduct research and publish findings  
3. Make presentations to both in state and out of state groups, including the NC General Assembly  
4. Serve as the official liaison for the Governor’s Office in taking the TWC initiative nationwide (there are now several other states administering this same TWC survey)

*Amendment #1:* To amend this contract to provide additional services as follows:  
1. Review Turnaround Team TWC reports and ensure reform strategies include data driven solutions to improve working conditions.  
2. Train specialist working with the Turnaround Team high schools.  
3. Serve as a resource for specialists, DPI, and others responsible for assisting the Turnaround Team high schools on working condition issues.

*Amended amount:* $85,000.00 ($50,000.00 + $35,000.00).

*Primary Contact:* Eric Hirch  
*Amount:* $85,000.00 State  
*DPI Coordinator:* Carolyn McKinney, State Board of Education  
*Contract No:* 4392776 (Service)
17. **Contract with Region 4 Education Service Center**

   **Purpose:**
   1. Coordinate the course quality review effort on behalf of NCVPS
   2. Assemble course review teams to conduct the course reviews
   3. Develop and submit for NCVPS’s approval the protocols and guidelines for potential course providers to meet when submitting their courses for review.
   4. Solicit potential course providers to submit courses for review
   5. Develop and submit for NCVPS’s approval criteria with rationale on key points to consider when accepting or soliciting course providers for review.
   6. Ensure that courses are reviewed against the North Carolina Content Standards as well as the Southern Regional Education Board Essential Principles of Course Quality standards.
   7. Provide necessary training and support to course reviewers.
   8. Assist with the development of a course quality review rubric for evaluators to use.
   9. Compile course review results in an easy to read, comparative summary. Results will be provided in digital format.
   10. Ensure that all delivery models, options for leasing/licensing content, and other applicable considerations for delivery are detailed and factored into the review process when relevant.
   11. Provide recommendations to the NCVPS Director for which course providers to utilize based on course quality standards.
   12. Provide NCVPS with a weekly update on the status and progress of the course review process via conference call or necessary meeting formats.
   
   **Amendment #1:** To amend this contract to review 32 additional courses: Amended amount: $199,000.00 ($152,000.00 + $47,000.00).

   **Primary Contact:** Dr. Calli Shelton
   **Amount:** $199,000.00 State
   **Time Frame:** 11/28/2006 to 10/31/2007
   **DPI Coordinator:** Rebecca Garland, State Board of Education
   **Contract No:** 4419357 (Service)

18. **Withholding Contract with Robert A. Pinion**

   **Purpose:**
   1. To be responsible for working with the existing More at Four Pre-kindergarten program and the Office of School Readiness in the Department of Public Instruction. The mission of the More at Four Pre-Kindergarten Program is to ensure school success for at-risk children in North Carolina through high-quality pre-kindergarten. As a consultant to this program, responsibilities would include assisting with contract negotiations with external vendors, analyzing future enhancements to the application and the management of product upgrade projects. They will also analyze future technical needs of the Office of School Readiness and make recommendations to DPI Technology Services.
   2. The contractor will also be responsible for providing technical analysis of the ABC’s Tool product and making recommendations for enhancements and upgrades. See attachment A for deliverables.

   **Primary Contact:** Robert A. Pinion
   **Amount:** $49,075.00
   **Time Frame:** 3/1/2007 to 6/30/2007
   **DPI Coordinator:** Annette Murphy, Technology Services

19. Withholding Contract with Keith Frazier

Purpose: To provide professional services as follows: The primary purpose of this contract is to handle special projects related to the Reading First grant awarded by the U.S. Department of Education. The consultant will coordinate efforts related to reading K-3 as a member of the Reading First staff. In addition, he will provide leadership in making recommendations for policy, program and fiscal operations as appropriate to the needs of Reading First. He is also responsible for making NC READS training available to non-Reading First schools and to teacher education candidates in the teacher preparation programs at North Carolina colleges/universities. The consultant is charged with assisting the public schools of North Carolina to maintain continuous improvement in the accountability system mandated for schools in 1995, and to help promote the academic growth of all subgroups in the federal accountability program of NCLB. Service provided will be essential support to the elementary schools and the Reading First staff, and will promote the Reading First program insuring the knowledge base is introduced to faculties at teaching universities and colleges; assist with budget development for the participating Reading First schools and monitor said expenses; and monitor and report program evaluation data. The consultant must also collaborate, both internally and externally, to address issues and concerns that will impact student performance for all students in a positive manner. This consultant serves as the schools’ contact for testing data as prescribed in the NC Reading First grant. (Provide technical assistance associated with the implementation, operation and maintenance of the systems and tools available to reading consultants, coaches and teachers. Assistance will include arranging/conducting training sessions, developing documentation, insuring web site is current, and communicating among regions/SEA to resolve issues in Reading First schools. Manage and mitigate issues related to the various vendors associated with the testing instruments. Assist schools with the use of reading assessments and data interpretation; collect, aggregate and report data as required for the grant to the SEA, external evaluator, and U.S. Department of Education. Manage the Title I NCREADS Courses; schedule training, report progress, recommend schools to be included in future sessions, and coordinate issues with the vendor. Assist with the budget development for the Reading First schools; develop strategies to fairly allocate available funds. Monitor expenditures of Reading First schools; review and report expenditures by visiting each school/LEA; and develop any required supplementary procedures as required. Develop methods for introducing scientific based reading research (SBRR) strategies into teaching colleges and universities in North Carolina; attempt to arrange sessions introducing SBRR to faculties and pre-service students preparing to become elementary school teachers).

Primary Contact: Keith Frazier
Amount: $89,024.00 Federal
Time Frame: 7/1/2007 to 6/30/2008
DPI Coordinator: Jackie Colbert, Elementary Education
