Description:

The Academic Scholars Program is a rigorous program of courses that exceed SBE graduation requirements. The last revision of the Academic Scholars program was in 2003. The Future-Ready Core Graduation Requirements, including the North Carolina Graduation Project, were approved in September 2008. This will go into effect with the rising class of eighth graders who will enter high school in Fall 2009. The Academic Scholars Program must be revised to align with the Future-Ready Core Graduation Requirements for students entering ninth grade for the first time in or after 2009-2010. The Academic Scholars Program revision includes additional required credits for Health and Physical Education, Career and Technical Education and Arts Education (Dance, Music, Theatre Arts, or Visual Arts) plus the requirements for Future-Ready Core Graduation Requirements.

Suggested revision for Academic Scholars Program

The following revised plan is effective for students who enter the ninth grade for the first time in or after 2009-2010.

Students must:

- Begin planning for the program before entering ninth grade to ensure they obtain the most flexibility in their courses.
- Complete all the North Carolina Graduation Requirements by choosing either Option 1 or Option 2.
- Have an overall four-year unweighted grade point average of 3.500.
- Must demonstrate computer proficiency.
