CHARTER RENEWAL

Dear Michael:

At the February 2009 North Carolina State Board of Education (hereinafter "NCSBE") Meeting, the NCSBE voted to approve a three-year extension of PreEminent's Charter (until June 30, 2012). During this extension, PreEminent Charter School must meet the following requirement in order to retain its charter.

Failure to satisfy any of the following conditions will result in no additional renewals of PreEminent's charter, pursuant to N.C. General Statutes, Section 115C-238.29D(d). In addition to meeting this requirement, PreEminent Charter School remains subject to all terms and conditions as stated within their charter, which includes compliance with applicable Federal and State laws and NCSBE policies. **Note: The NCSBE reserves the right to terminate the charter prior to June 30, 2012 for any violation of law or policy outlined herein or otherwise.**

- I. **Meet or Exceed Expected Growth in the 2008-'09 and 2009-'10 years.**
PreEminent Charter School shall meet or exceed expected growth in the next two consecutive academic years (2008-'09 and 2009-'10). Failure to meet this growth for any reason will subject PreEminent Charter School's Charter not to be renewed.

Please forward a copy of this letter to your Board Chair in a timely manner. Should you have any questions, please contact the Office of Charter Schools.

Sincerely,

Jack Moyer
