\$25,000
GCS

1. Contract with UNC-Chapel Hill

Purpose To develop and provide staff development in Assistive Technology and Augmentative Communication for specialized teams throughout North Carolina. These teams will be chosen by LEA Exceptional Children (EC) Director.

Specific Outcomes: Teams of teachers, specialists and other professionals in the exceptional children field throughout North Carolina will learn of the possibilities of augmentative communication and assistive technology solutions for students with varying disabilities. As a result of these three workshops, teams will be able to develop and administer appropriate evaluation tools and methods for determining needs of augmentative and alternative communication devices and systems. Teams will develop local capacity for providing local units this important assistive technology service.
