

LEA Technology Plan
Monitoring Visit Results

LEA	Board District	Instructional Technology Region	Action Taken
Bladen County Schools	Fourth District	South Central	School visit needed
Hoke County Schools	Fourth District	South Central	Corrected non-compliance issues
Robeson County Schools	Fourth District	South Central	Corrected non-compliance issues

The following LEAs have responded to their non-compliance with a written letter addressing non-compliance issues and/or action steps for improvement.

- Bladen County Schools
- Hoke County Schools
- Robeson County Schools

The most noted responses to non-compliance:

- Limited personnel
- Personnel changes
- Lack of funding
- Unrealistic measurement for strategy
- Required policies are not in place

Recommended Plan of Action

- Schedule an additional visit to assist the LEA in a review of their plan and data collection methods cited

A copy of the review reports are attached for your consideration.
